## Member Investment Levels

### PREMIERE

This level of investment guarantees a seat on the Board of Directors. This group develops the strategic plan and direction of the organization. A voice on the board ensures that your company or organization has the highest level of visibility and input to HCED.

### GOVERNMENT

This level of investment is for towns who wish to support HCED on behalf of their citizens. The mayor of each participating town is guaranteed a seat on the board.

### ASSOCIATE

This level of investment is recommended for those who have a considerable amount to gain from Hancock County's economic success, but choose to trust the planning and strategy development to the board of directors. This group has three board seats.

### SUSTAINING

This level of investment is recommended for anyone who may own a small business or works at a business that would directly benefit from the services listed. This group has one board seat.

### INDIVIDUAL

This level of investment is recommended for individuals who wish to help support the future of Hancock County, but may not necessarily have a business that can directly benefit from the services listed. This group has one board seat.
